CGN Wish List

The following items are things which camp could really use this summer to enhance the ministry. Please let us know if you would like to provide something from the list. This will ensure that we don't get unneeded doubles.

- Meat thermometer
- 3 new vegetable brushes (heavy use)
- New vacuum for the farmhouse
- New vacuum for the Chapel
- 40 – 60 cup coffee percolator
- Fabric for new curtains in the girls cabins
- Pool noodles

Greetings from the Staff

Dear Friends of Camp Good News,
We hope you are all doing well during this winter. I'm sure some are enjoying it, while others just can't wait for summer to arrive. Here at camp, we too are looking forward to summer and are busy preparing for the upcoming camping season. We are excited about our camp theme: *The Medieval Tournament of Champions*. During our Bible times we will seek to discover how we need to daily clothe ourselves in the

Armor of God. We hope you plan to join us this summer. So, get ready you Lords and Ladies to compete once again for the King's Cup.

Because the Beck's will be at camp this fall, we are excited to once again offer our fall family programming: Family Camping Weekend, Mother & Daughter and Father & Son Canoe Trips. Sign up early, if you are interested, as space is limited for these programs.

Volunteers Come One, Come All!

If your phone isn't ringing, ours at camp should be with your call to serve at camp this summer. Please contact us about volunteering in the kitchen,

maintenance, nursing, Bible teaching, housekeeping, store/craft barn helpers, wilderness cooks and child care. We can't wait to hear from you.

From the Desk of Aunt Barb

Praise the Lord for 572 campers at Camp Good News NH in the summer of 2008. We would like to have that many again in 2009. Our first week of camp is July 5-10. Teen Week will be August 2-7. We are currently able to take registrations on line or over the phone. The 2009 brochure is now printed. Please e-

mail and let us know if you would like to receive brochures to distribute in your church or to friends. Our 2009 Staff, Teen Service, and Volunteer applications are ready. They can be downloaded from our website or contact us to have one snail mailed.

Looking Forward to Summer!

Camp Good News' Financial Need

One of our biggest needs at camp is the finances to meet daily operational needs. Are you aware that the registrations only pay about 28% of the total financial needs of camp? Usually the difference is made up through volunteer work, missionaries and donations. We do not want to charge our campers more for their camp experience. Over the past few years we have

not met our financial needs, and this has caused strains in areas like facility and staffing. If you would like to see this ministry continue to impact the lives of children in New England, would you partner with us by giving financially? Yes the need is great, but with God's help and your giving, we can continue to bring the Gospel to the children.

A Focus on the CGN Facility

Some of you may not have considered that without a facility available for a summer ministry, there cannot be a summer ministry. This past season, scores of people have volunteered considerable time and resources on the tasks that are seldom seen. A camp property is composed of several systems that are considered essential by modern Americans. Great progress has been made on several safety and

operational issues with these systems, and we now have understanding of what other areas need attention. Thank you for all of your help.

Along with the material aspects of this summer camp, there have been many spiritual blessings among our volunteer missionaries and full time workers. This ministry impacts both children and adults for Christ.
